This year's highlights for the students at Jewell high school, other than the highlight of being fortunate enough to attend this magnificent school, were. Taking a trip funded by the Guaranteed Success program to the White House, Holocaust Museum, Lincoln Memorial, and the Capital building, or to put it in a plainer perspective, Washington D.C.! Grades 9-12 in the GS program were flown to D.C. on May first to enjoy a truly exhilarating and historical time. I as a student, whom was fortunate enough to participate in this experience of lifetime, found myself in awe as I gazed out across the the sea of white crosses at Arlington Cemetary. The sense of pride I felt as I observed the Capital building from afar, and the sorrow which shook my soul as I read the names engraved upon the Vietnam wall. Nothing can describe the feeling that fills you when you see these great monuments and realize that you are part of this. Our accommodations at the Presidents Inn were amazing, we were close to a store, the metro station, and about a block from the Pentagon! I would like to give a tremendous amount of thanks to our principle Mr. John Seeley, Mrs. Laura Seeley, Mr. Ron Bloker, Mr. Dave Samulson, Mr. Dave Hiebert, Mrs. Marsha Tisdale, Mrs. Judy Wickliffe, and all the Aids.

While the high school enjoyed a historical trip in D.C. the Junior High took a trip to Oregon coast where they spent their time Sand boarding, Jet boating, Dune bugging, and bowling. An amazing place was also discovered on this trip, the booming city of Agness, population small. The students also learned some important information on aviation and aquatic life on their visits to the Oregon Coast Aquarium and the Evergreen Aviation Museum. This trip was also a booming success thanks to Mr. Oly Schockelt and Mr. Don Anderson.

STUDENTS AT JEWELL

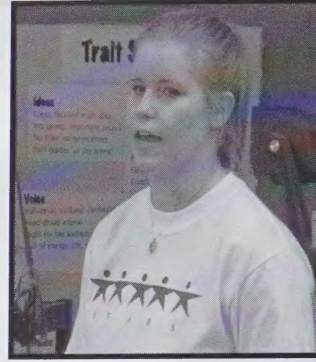

GUS ALMIGHT

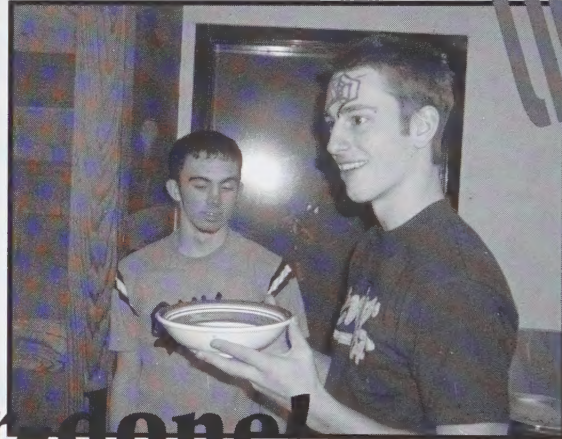

BLUEJAY POWER!!

This year the students have been "Getting-er-done" in sports as well as academics. The Jewell football team made it to state, under the leadership of Pete Popoff, but unfortunately was slaughtered by Powder Valley. The boys varsity basketball team succeeded in going to state with, under the leadership of Ryan Henderson, but yet again could not pull through with a win. The girls volleyball team made it to sub-districts, but could not score a final two points against the Saints. It seems a little ironic, don't it? The support of the student body was tremendous at these sporting events and paid a great tribute to our successes.

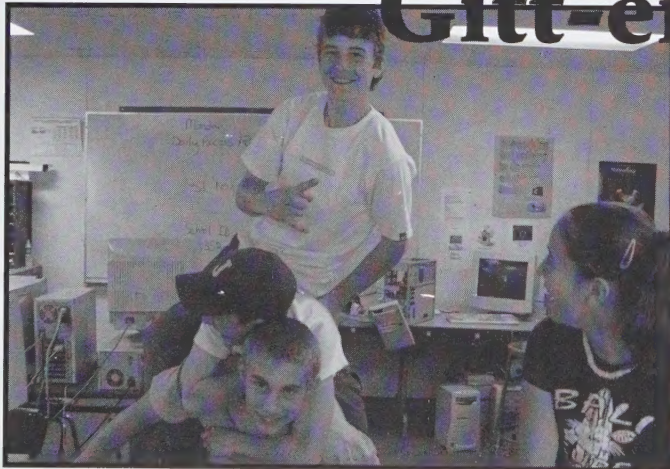

This year's grades have been considerably high and the student-teacher interaction has been seen commonly. Oh yeah! Big Jewell news. Our very own math teacher is a sergent in the marines. I don't know about you but that's pretty cool, except for the fact that he uses push-ups as a way to keep us in line. I think a factor that must be noticed is the Guaranteed Success program, which has kept students on top of their work. It has been a sincere motivation to the students because of the many rewards.

We all miss those days when we were young and care-free; when we didn't care about what was happening around the world, let alone outside the classroom. Here are a few moments from our kid's at Jewell School's elementary. Hopefully it may bring back some memories of yours.

2004 PROM

This years prom theme was Paris
dance complete with sidewalk cafes,
and the Eiffel tower to set things aglow.
The sponsor of this years theme was
the Junoir class advised by Marsha Tis-
dale. Even though the atmosphere and
tup was Paris, the music was far from
rench. Unless you consider Toby Kieth
French western singer. All together the
rom was a success from the Macarena
the Jewell square dance. Also at this
dance Jewell's finest photographer suc-
ceeded in capturing a shot of the most
tought after couple since Katherine Hep-
burn and Jimmy Stewart. That's right!

CREATIVE

WEEK

What are these people doing here? For one week out of the school year, we allow all the teachers to teach anything they want. Here are a few examples of our creative classes.

2004 Field Trips

THE GUARANTEED SUCCESS PROGRAM

THE GUARANTEED SUCCESS PROGRAM IS A SYSTEM WHICH ENSURES THAT THE STUDENT PASSES THE CLASSES. IT STARTED AT THE BEGINNING OF THE YEAR AND RUNS TILL THE LAST DAY OF SCHOOL. THE PROGRAM CAN BE SIGNED UP FOR AT ANYTIME DURING THE YEAR. THE STUDENT IS GIVEN A CONTRACT HE/SHE MUST SIGN AND THEN HOLD TRUE TO. THE CONTRACT STATES THAT THE STUDENT WILL TRY THEIR VERY BEST TO COMPLETE WORK ON TIME AND DURING CLASS. HOWEVER IF THE STUDENT DOES NOT THEY ARE REQUIRED TO STAY AFTER SCHOOL UNTIL THE ASSIGNMENT IS DONE. THE STUDENT IS GIVEN THE CHOICE TO USE TWO SKIPS, BUT IF A THIRD IS USED THEY ARE AUTOMATICALLY EJECTED FROM THE PROGRAM. THIS PROGRAM HOWEVER IS NOT SO DIFFERENT FROM OTHER PROGRAMS IN THE FACT THAT IF YOU HOLD TRUE TO THE CONTRACT YOU WILL BE REWARDED. SOME OF THE REWARDS ARE SMALL LIKE, MOVIES AND GOING TO LUNCH EARLY. OTHERS ARE BIG LIKE, ATTENDING A TRIP TO WASHINGTON D.C. OR GOING TO THE OREGON COAST.

LEFT TO RIGHT: TO DISSECT OR NOT TO DISSECT, THAT IS THE QUESTION HIEBERT ASKS STUDENT HARISOL BORQUEZ. NOLLIE LEE PETREFIED, AT BEING A FOREST RANGER IN JAMESTOWN VIRGINIA. WASHINGTON D.C. TRIP 2014

BEST MEMORABLE TRIPS OF THE YEAR. FROM WHIPPING AROUND ON ROLLERCOASTERS AT BUSH GARDENS TO WALKING UP THE STEPS OF THE CAPITAL BUILDING. IT WAS A CHANCE FOR THE STUDENTS TO SHOW THEIR RESPONSIBILITY AND HAVE A LOT OF FUN IN THE PROCESS. THE TRIP BEGAN AT PORTLAND AIRPORT AND TOOK US TO PHOENIX THEN ON TO D.C. WHEN WE ARRIVED AT THE AIRPORT IN D.C. WE PROCEEDED TO THE PRESIDENTS INN ON A TRANSIT BUS. OUR GROUP SPENT A NIGHT IN THE INN THEN PROCEEDED TO WILLIAMSBURG TO SPEND TWO NIGHTS IN OUR EXTRAVAGANT CONDOES. THE TIME SPENT IN D.C. WAS FULL OF ENJOYMENT AND A TERRIFIC EXPERIENCE FOR ALL.
